PURPOSE

To explain to our school community the Department's and Malvern Central School's policy requirements and expectations relating to students using mobile phones and other personal mobile devices during school hours.

SCOPE

This policy applies to:

1. All students at Malvern Central School and,
2. Students' personal mobile phones and other personal mobile devices brought onto the school premises during school hours, including recess, lunchtime and school events.

DEFINITIONS

A **mobile phone** is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. For the purpose of this policy, "mobile device" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches (eg. Space Talk, Apple Watch, Google Watch).

POLICY

Malvern Central School understands that students may bring a personal mobile device to school, particularly if they are travelling independently to and from school.

At Malvern Central School:

- Students who choose to bring a mobile device to school must have them switched off and securely stored during school hours (8.55am – 3.30pm)
- All wearable devices must be set to 'School Mode' during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.

Personal Mobile Phone and Smart Watch use

In accordance with the Department's [Mobile Phones — Student Use Policy](#) issued by the Minister for Education, personal mobile phones and other personal mobile devices must not be used at Malvern Central School during school hours, including recess, lunchtime and school events unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile device for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile devices owned by students at Malvern Central School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile device/s to school unless there is a compelling reason to do so. Please note that Malvern Central School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the Malvern Central School's Personal Property Policy AND/OR the Department's [Claims for Property Damage and Medical Expenses policy](#).

Where students bring a mobile device to school, Malvern Central School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Malvern Central School students may store their mobile device in their bags at their own risk or give them to their classroom teacher to store securely.

Enforcement

Students who use their personal mobile devices inappropriately at Malvern Central School will have their device confiscated and may be issued with consequences consistent with our school's existing *Student Wellbeing and Engagement* and/or *Bullying Prevention Policy*.

At Malvern Central School inappropriate use of mobile devices is **any use during school hours (8.55am – 3.30pm)**, unless an exception has been granted, and particularly used:
